***TRAVEL
THAT
PERFORMS***

WHEN *EVERY MINUTE* MATTERS, *EVERY JOURNEY* COUNTS

Stage and Screen understands that for professionals and organisations pursuing excellence, travel isn't just about getting from A to B, it's an essential part of achieving success.

Every minute of setup time, every familiar routine maintained, every challenge avoided directly impacts what happens when the cameras roll.

We've spent over 30 years perfecting the art of performance driven travel for the film and television industries. From major studios to independent productions, Stage and Screen delivers precision, reliability, and support where timing is everything.

Trusted by production companies, broadcasters, and filmmakers worldwide, we keep crews moving so creative teams can perform at their best.

YOUR *BACKSTAGE* ADVANTAGE

Precision. Reliability. Experience.

Our services are designed for the unique pace and pressure of production.

24/7 SUPPORT

What sets us apart is our dedicated after hours team of 13 specialists based right here in Australia. Unlike call center operators, these experienced travel professionals can quickly address issues, having full access to bookings and the authority to resolve problems on the spot.

END TO END MANAGEMENT

Comprehensive booking management across air travel, accommodation, ground transport and transfers, from group bookings to VIP adjustments.

CAST & CREW GROUP TRAVEL

Complex logistics made simple. We coordinate transfers, schedules, and accommodation for teams of any size.

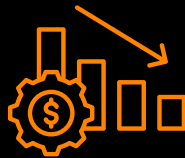

VIP & CELEBRITY TRAVEL

Discreet, detail driven, and seamless. Private arrivals, exclusive transfers, and concierge level service.

FREIGHT & EQUIPMENT LOGISTICS

From lighting rigs to camera cases, we manage cost effective, reliable transport for essential production gear. Locally or internationally.

COST OPTIMISATION

Exclusive rates through FCTG's global reach and strategic supplier negotiations. Financial flexibility with the ability to place credits on hold for future travel.

CRISIS MANAGEMENT

Rapid response protocols for emergencies, weather disruptions, or location challenges.

TECHNOLOGY THAT *PERFORMS* UNDER PRESSURE

When split second decisions impact performance, your travel technology needs to be as responsive as your crew. Our integrated ecosystem delivers seamless management, real time updates, and insights designed for the unique demands of production travel.

MOBILE COMMAND CENTRE

Stay connected anywhere with the Stage and Screen App. View itineraries, get real-time alerts, message your tour manager, and track freight, all from your phone.

SAVI ONLINE BOOKING TOOL

Manage entire production crews efficiently with access to hundreds of airlines, over two million accommodation options, and exclusive industry rates.

PERFORMANCE ANALYTICS

Optimise your production travel with detailed analysis of spending patterns, identify savings opportunities, and measure travel impact on performance timelines.

HUMAN ADVANTAGE

When technology isn't enough, our travel specialists step in. They know the difference between a delayed flight and a missed call time.
